Arkansas Teachers for National Board Certification (ATNBC) is the official state network affiliate of the National Board for Professional Teaching Standards (NBPTS) and is an educational organization committed to the achievement of all students in the state of Arkansas since 2005. The mission of ATNBC is to promote excellence in teaching through

- Advocacy of the National Board for Professional Teaching Standards (NBPTS) standards and the National Board certification process
- Provision of an educational and support network for collaboration on research and accomplished practice
- Opportunities for leadership in education
